mateco IT, the place to be for **anyone** who wants to develop their skills using the best of the best. mateco IT is located in Waregem since May 2024, but with clients across the globe, the world is our oyster.

We live IT, it's in our core. So you can expect state-of-the-art technology and architecture. Providing you with all the tools you need to shine. Because we strive to answer all business challenges with inventive tech solutions, from microservices to machine learning, with a global deployment.

Your mission

EUC stands for end-user computing. You assure safe accessing and interacting with apps, data, and systems in a way that is practical and secure for the end user. You own and evolve our **Microsoft 365 collaboration platforms** across the mateco group. From Teams and SharePoint to Exchange and OneDrive, you ensure secure, scalable, and user-friendly solutions that boost productivity for our colleagues across the world.

Good. So what does that mean in detail?

- Design, build, operate, and continuously improve M365 collaboration services.
- Act as the **go-to expert and advisor** for business and IT stakeholders.
- Translate business needs into smart, compliant technical solutions.
- Support rollouts, migrations, and change initiatives across countries.
- Drive adoption through training, documentation, and clear communication.
- Proactively improve performance, security, and cost efficiency.

Ok. And what exactly would make you the perfect fit for this?

- 5+ years of experience in IT infrastructure, with strong expertise in **Microsoft 365**.
- Hands-on knowledge of Teams, SharePoint, OneDrive, Exchange, PowerShell, and integrations.
- A consultative mindset and strong communication skills.
- Experience working in international environments.
- Fluent English and Dutch; French, or German are a plus.

Still sounds good? This is what we have to offer you.

- A big and modern IT environment with **lots of opportunities** to learn and contribute.
- **You will stay on top of your game** and you will be able to **take initiative and make a difference**.
- We offer a working culture built on **autonomy and mutual trust and respect**.
- Lots of flexibility: flexible hours and the ability to **work from home 2 days a week**.

- We offer an **attractive salary package** including numerous fringe benefits.
- A brand new office in Waregem to **work together with your team**
